# MUTAI SERIES 1014-20011 COLLECTION
# PTE SOCCER SUGGESTED QA ANALYSIS

**PTE-1988**

**(a) When is a ball out of play in soccer?(2 marks)**

- If it has wholly crossed the goal line or touchline whether in air or on ground.
- When play has been stopped by referee.

**(b ) State the conditions for a proper "throw-in" in soccer.(6 marks)**

- Should be taken at the point where it crossed the touchline.
- Opponents should be 9.15m away from the ball.
- The player cannot pass the ball to himself.
- Ball must be delivered from behind and overhead.
- The thrower should note the field of play before releasing the ball..
- A goal cannot be scored directly from throw-in.
- Thrower must face the field of play while throwing
- at the moment of throwing the ball, the feet must be on the ground behind the sideline.
- The thrower must use both hands
- the thrower must deliver the ball from behind and over the head
- the thrower must not play the ball until it has been played by another player
- the ball must be thrown and not dropped
- a goal cannot be scored directly from a throw-in
- the ball must be thrown from the point where it left the field of play.
- Thrower's foot grounded either on touch line or outside.
- Throw-in taker by a player from team which did not cause the ball to cross touch line.
- Taker must have both legs in in contact with the ground
- Taker must be outside the sideline/touchline

**(c) What are the requirements for taking a goal kick in a game of soccer?(6 marks)**

- The ball is placed on top of the goal area line.
- All the opponents outside the penalty area.
- A goal may be scored directly from the goal kick.
- It is awarded when the whole ball, having lastly been touched by a player of the attacking team and passes over the goal line either on the ground or in air and the goal is not scored as per law

**(d) State the factors that govern the taking of a penalty kick in a game of soccer(6 marks)**

- The ball is placed on the penalty mark.
- The player taking the penalty kick is properly identified.
- The defending goalkeeper remains on own goal line, facing the kicker between the goal posts until the ball has been kicked .
- The players other than the kicker are located inside the field of play outside the penalty area at least 9.15m(10yards) from the penalty mark behind.
- The referee signals and decides when a penalty kick has been completed.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- The player taking the penalty kicks the ball forward, and does not play the ball a second time until it has touched another player.
- The ball is in play when it is kicked and moves forward.
- All other players outside the penalty are except the kicker.
- Goalkeeper to remain stationary along the goal line until the kick is taken.
- The ball should be kicked once and in forward direction.

**6. Discuss why football is considered to be the most popular sport in Kenya.**

- Play by both men and women/gender sensitive
- Has organizational structure.
- Contain simple rules which can be learnt easily.
- Can be played in appropriate space available.
- The standard soccer stadium can accommodate many supporters./cheerers/spectators.
- Use simple skills.
- Can be played with minimal adaptation by people of all ages.
- Equipment can easily be improvised e.g balls, goal post.
- Soccer receive a lot of publicity by mass media.
- Attracts many scholarships/sponsorship.
- Chances of player getting into professional game are higher than in other games/sports.
- Availability of national team.
- Availability of role models.
- Mostly used by cooperate bodies to market and promote products.

**PTE-1991**

**Give any two offences that may lead to a penalty kick in football.(2 marks)**

- Kicking/attempting to kick an opponent.
- Tripping/attempting to trip an opponent.
- Jumping at an opponent.
- Striking/attempting to strike an opponent.
- Charging an opponent.
- Pushing an opponent
- Holding an opponent
- Tackling and making body contact with an opponent before the ball.
- Deliberate handling the ball.
- Spitting at an opponent

***Note-****direct free kick is awarded within the penalty area(if the foul was committed by defender)a penalty kick is taken. Also a goal can be scored direct from the kick.*

**Name any three types of tournament formats that are used to organise football competitions.(6 marks)**

- League
- Knock-out

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- League cum-knock out
- Pyramid.

**State the number of officials required in a game of football.(1 mark)**

- 4(four) that is Referee, Two assistant referee , and Fourth/table referee .

**State the conditions that a player must observe when making a throw -in in football (4 marks)**

- Should be taken at the point where it crossed the touchline.
- Opponents should be 9.15m away from the ball.
- The player cannot pass the ball to himself.
- Ball must be delivered from behind and overhead.
- The thrower should note the field of play before releasing the ball..
- A goal cannot be scored directly from throw-in.
- Thrower must face the field of play while throwing
- at the moment of throwing the ball, the feet must be on the ground behind the sideline.
- The thrower must use both hands
- the thrower must deliver the ball from behind and over the head
- the thrower must not play the ball until it has been played by another player
- the ball must be thrown and not dropped
- a goal cannot be scored directly from a throw-in
- the ball must be thrown from the point where it left the field of play.
- Thrower's foot grounded either on touch line or outside.
- Throw-in taker by a player from team which did not cause the ball to cross touch line.
- Taker must have both legs in in contact with the ground
- Taker must be outside the sideline/touchline

**Give any two systems of play in football.(2marks)**

- **3-3-4**
- **2-2-4**
- **2-3-5**
- **5-4-1**
- **4-2-4**
- **4-3-3**
- **4-4-2**

***Note****-system of play are numbered starting with Defenders, followed by Midfield then forward payers/attackers excluding the goalkeeper.*

**Name any six factors that one would emphasize on when training a football team.(6marks)**

- Age
- Physical fitness
- Heredity/genetics
- Facilities/equipment
- Climatic conditions
- Environmental factors
- Psychological factor (motivation)
- Physiological Factors
- Sociological Factors

**PTE-1994 JULY**

**What penalty is awarded when a defender plays the ball over his own goal line and outside the goal posts in a game of football? (2 marks**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- corner kick

**PTE-1994 DEC**

**State any TWO rules that must be observed when taking a penalty kick in a game of Football. (2 marks)**

- Ball is placed at the penalty spot.
- All other players outside the penalty are except the kicker.
- Goalkeeper to remain stationary along the goal line until the kick is taken.
- The ball should be kicked once and in forward direction.

**PTE-1999 JULY/AUGUST**

**Other than the specific duties, give any three situations when a referee can use discretionary powers in a soccer match.(3mks)**

- Acts as time keeper.
- Keep record of the match.
- Stop the match.
- Suspend or terminate the match
- Expelled team official
- stopping the match if, in his opinion, a player is seriously injured and ensuring that he is removed from the field of play.
- allowing play to continue when the team against which an offence has been committed will benefit from such an advantage and penalising the original offence if the anticipated advantage does not ensue;
- taking disciplinary action against players guilty of cautionable and sending-off offences.
- taking action against team officials who fail to conduct themselves in a responsible manner and may, at his discretion, expel them from the field of play and its immediate surrounds.

**State the cautionary steps that a referee may follow before sending off a player during a game of soccer.(4mks)**

- ✓ The referee blow a whistle.
- ✓ Referee call the concerned player towards him/her.
- ✓ He shall note down his name and number
- ✓ Show red card.

**State any three offences for which a direct free kick may be awarded during a game of soccer.(3mks)**

- Kicking/attempting to kick an opponent.
- Tripping/attempting to trip an opponent.
- Jumping at an opponent.
- Striking/attempting to strike an opponent.
- Charging an opponent.
- Pushing an opponent
- Holding an opponent

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Tackling and making body contact with an opponent before the ball.
- Deliberate handling the ball.
- Spitting at an opponent

**Explain each of the following in a game of soccer:**

**a)feinting(2mks)**

- This is anticipating the opponent to go in the wrong direction.

**b) the volley(2mks)**

- Any ball kicked by a player when it is off the ground
- is a skill used to propel aerial balls.

**c) sudden death(2mks)**

- Extra play added to determine the winner of a tied game, often with the victory awarded o the first to score

**PTE-1999 DEC.**

**Give three uses of the centre circle in the game of football.(3mks)**

- Where the players are supposed to be during the penalty shots.
- Where place kick is taken
- Kick off is done at the beginning of play.
- Where Game is restarted after a score.
- Where Game is restarted after half time.
- Where Game is started at the beginning of extra time .
- Where flipping/tossing of the coin is done.

**Other than the centre circle, name any four areas marked within a football pitch.(4mks)**

- Goal area
- Penalty area
- Goal line
- Touch line/side line
- Penalty spot/mark
- Centre spot
- Corner arc
- Penalty arc

**Explain the volley kick technique in the game of football.(2mks)**

- Is kicking the ball before it make contact with the ground

**Outline any FOUR teaching points for the volley kick.(4mks)**

- Staggered stance with a slight backward lean and eyes focused on the ball.
- Body weight on grounded leg and arms extended for balance.
- Hold ball chest high in both hands
- Hold ball over kicking leg
- Contact the ball using instep as leg moves in forward and upward direction.

**Name any four parts of the body used for trapping the ball in the game of football.(4mks)**

- Shin
- Sole of foot
- Inside of foot
- Thigh
- Chest

**State any three ways of restarting the game of football after the ball has gone out of the field of play.(3mks)**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Throw in
- Goal kick
- Corner kick

**PTE-2005**

**Which are the options available to a team winning a toss before the start of afootball match? (2 marks)**

- Choose to start kick off
- Choose the side/end of play

**PTE-2006**

**When is a player not penalize for ball handling during a game of football.(3mks)**

- Throw –in.
- Movement of ball to hand /unintentional contact of the ball.
- Placing the ball on the ground for a kick.

**How can standards of refereeing football be improve in Kenya(2mks)**

- organize seminars, workshops and clinics
- Watch games of every level whenever possible
- Seek out experienced referees to work with
- Retraining referee yearly. Etc.

**PTE-2007**

**State four factors to be considered when selecting a goal keeper for a schools Soccer team. (2 marks)**

- Brave/courageous
- Agile/flexible
- Good reaction time
- Good judgment
- Reasonably tall
- Physically fit
- Swift
- Good grip
- Good eye sight
- Strong

**During a game of soccer, a player in possession of the ball is pushed by an opponent. who in turn picks the ball and hits him/her with it. Give any three possible decisions that will be taken by the referee, 3 marks)**

- ✓ Award direct free kick to player with possession of the ball.
- ✓ A ward drop ball.
- ✓ Award direct free kick to player who was hit by the ball.

**PTE-2008**

**Give three instances that may lead to 'a drop ball' during a game of football.(3mks)**

- -When there is simultaneous offence
- -When there is technical problem eg bursting of the ball
- -External interference eg spectators invading the pitch.
- -When referee is uncertain of the player who has committed the offence.
- -When the game was stopped due to bad weather.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- -When the game was stopped when lowering national flag.
- -Stoppage in case of injuries

**Explain the following terms as used in a game of football:**

**a)Drop kick(1mk0**

- a way of restarting play after a temporary suspension of play by referee dropping the ball between opposing players.

**b)Stopper (1mk)**

- is a defensive mid-fielder

**PTE-2009**

**State six teaching points for the method of goalkeeping for ground balls in football.(3mks)**

- Get behind the oncoming ball.
- Place one knee on the ground.
- Catch the ball with both hands using open palm.
- If the ball is out of reach , dive to catch or punch.
- Bring the ball into the body, that is cushion the ball.
- Keep eyes on the ball all the time.

**Describe the following terms as used in the game of football**

**a)Wall(1mk)**

- Is a defensive strategy involves placing a line of players in front of an opponent taking a free kick
- A line of 2 to 5 defending players pressed together shoulder-to-shoulder to protect their goal against a close free kick.

**b)Cover (1mk)**

- Is a defensive support to take a position close to your opponent so as to challenge his/her efforts
- it refers to a defender guarding an opponent.

**PTE-2010**

**What is the minimum number of players that a team must raise before kick-off in a game of soccer.(1mk)**

- 7 players(match may not start if players of either team consist of fewer than 7 players)

**When is the ball said to be "in" play after a foul during a game of soccer.(1mk)**

- When one of the prescribed means of (re)starting play has been properly executed e.g. the kick-off, throw in, goal kick, corner kick, free kick, penalty kick and drop ball.

**Explain a valid goal in game of soccer.(2mks)**

- The whole ball must pass the whole goal line between the goalpost and below the crossbar either in air or on the ground.

**Describe "heading" in soccer from a standing position.(4mks)**

- Stand with feet slightly staggered

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Focus eyes on the ball
- Just before contacting the ball, tilt the head slightly back then bring it forward to hit the ball with forehead.
- Hit ball with force either forwards, downwards or sideways.

**Arrange the following playing systems in the order of their historical development in soccer,4-3-3, WM, 4-4-2, 4-2-4. (4mks)**

i. WM -(1920s to1930s)
ii. 4–2–4 - (was the first formation to be described using numbers 1950s)
iii. *4-3-3 -(development of 4-2-4 )*
iv. *4-4-2 -(1990s to 2000s)*

**PTE-2011**

**Give reasons for popularity of soccer in Kenya.(6mks)**

- Play by both men and women/gender sensitive
- Has organizational structure.
- Contain simple rules which can be learnt easily.
- Can be played in appropriate space available.
- The standard soccer stadium can accommodate many supporters./cheerers/spectators.
- Use simple skills.
- Can be played with minimal adaptation by people of all ages.
- Equipment can easily be improvised e.g balls, goal post.
- Soccer receive a lot of publicity by mass media.
- Attracts many scholarships/sponsorship.
- Chances of player getting into professional game are higher than in other games/sports.
- Availability of national team.
- Availability of role models.
- Mostly used by cooperate bodies to market and promote products.

**Outline the factors to consider when deciding on a system of play in a gamer of soccer.(4mks)**

- Strength and weakness of the team/skill level of the team/ability of the team.
- Skill level of opponents.
- Objective/purpose of competition.
- Style /system of opposing team.
- The coach technical ability/knowhow.
- The level of competition.
- Purpose of the game/defending purpose.
- Type of players/talent/adaptation of players.
- Type of opponents
- Team effort/teamwork
- Playing zone/switching play/closed/open play

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**Identify two situations when an offside player may not be penelised for an offense in a game of soccer.(2mks)**

- When an offside player is not interfering with play/passive offside/no advantage.
- When receives the ball directly from an opponent.
- Receiving the ball directly from a goal kick.
- Receiving the ball directly from a corner kick.
- Receiving the ball directly from throw-in.
- Receiving the ball directly from drop ball.

**PTE-2012**

**Give five purposes of the sideline on a Soccer pitch. (5 marks).**

- For throw-in
- Substitution
- .officiating by linesmen
- Team benches placed adjacent to the sideline
- Indicate when the ball is out of the field

**State the teaching points for goal-keeping aerial balls during a game of Soccer. (4 marks)**

- Get behind-the oncoming ball
- With the arms stretched, catch the ball and cushion it by bringing the arms
- close to the chest
- For high balls, jump to catch or punch
- For wide balls which are out of reach, dive to catch or punch away from the
- goal either using the fist or palm.

**(iii When is a player penalized for an offside offence during a game of Soccer?(3 marks)**

- player must be on opponents half field
- player must be in front of the ball
- there must be fewer than two opposing players between himlher and the opposing goal line, with goalkeeper counting as one of the defenders.

**PTE-2013**

**State six instances that would lead to the award of a penalty kick in a game of Soccer. (6 marks)**

- Kicking/attempting to kick an opponent.
- Tripping/attempting to trip an opponent.
- Jumping at an opponent.
- Striking/attempting to strike an opponent.
- Charging an opponent.
- Pushing an opponent
- Holding an opponent
- Tackling and making body contact with an opponent before the ball.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Deliberate handling the ball.
- Spitting at an opponent

**Describe the procedure of taking a "throw-in" in a game of Soccer. (6 marks)**

- Should be taken at the point where it crossed the touchline.
- Opponents should be 9.15m away from the ball.
- The player cannot pass the ball to himself.
- Ball must be delivered from behind and overhead.
- The thrower should note the field of play before releasing the ball..
- A goal cannot be scored directly from throw-in.
- Thrower must face the field of play while throwing
- at the moment of throwing the ball, the feet must be on the ground behind the sideline.
- The thrower must use both hands
- the thrower must deliver the ball from behind and over the head
- the thrower must not play the ball until it has been played by another player
- the ball must be thrown and not dropped
- a goal cannot be scored directly from a throw-in
- the ball must be thrown from the point where it left the field of play.
- Thrower's foot grounded either on touch line or outside.
- Throw-in taker by a player from team which did not cause the ball to cross touch line.
- Taker must have both legs in in contact with the ground
- Taker must be outside the sideline/touchline

**PTE-2014**

**Define the skill of tackling in a game of soccer.(2mks)**

- A defensive technique for dispossessing an opponent of the ball so that the tackler or teammate can gain possession of it.

**Identify two types of tackles used in a game of soccer.(2mks).**

- Ground block tackle.
- Front block tackle
- Side block tackle
- Heel tackle
- Pokel jab/fast push.
- Sweep tackle.
- Fair charge.

**Give six functions of mid-fielders during a game of soccer.(6mks)**

- Maintain ball control at all times.
- Control down tempo and rhythm of ball and player.
- Keep ball wide/create space.
- Penetrate attack zone.
- Reinforce defence/backs/defenders.
- Reinforce attack/forwards/strikers/offense.
- Link between forwards and backs.
- Slow down tempo and rhythm of ball and players.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

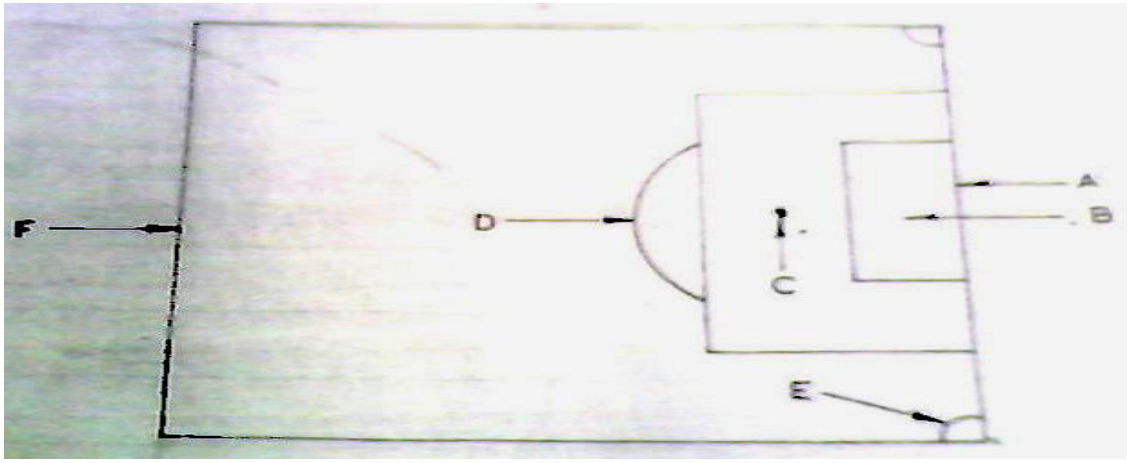
- Ensure diagonal cross field passes and flow of ball
- Keep ball wide
- Back pass to supporting players or reverse play to opposite side.
- Overlap extra players for numeral superiority.

**State the significance of tossing a coin in a game of soccer.(2mks)**

- Team which win the toss decides which goal it will attack in the first half of the match/choose the side.
- The other team takes the kick off to start the match.
- To decide the team that will start to take the post match penalties.
- Decide a winner as per championship rules

**PTE-2015**

**Identify the areas A-F shown on the football pitch diagram provided below.(6mks)**



A- goal line /endline/backline
B - goal area
C - penalty spot/spot
D - penalty arc
E - corner arc
F - halfway line/centre line

**Outline six rules that govern the kick-off during a game of Football.(6mks)**

- All players should be in their own half of the field.
- The opponent player should stand at least 9.15 m (10 yards) from the ball until it is in play./outside the centre circle
- The ball should be stationary on the centre spot/mark.
- The referee blows a whistle.
- The ball is considered to be in play when it is kicked and moves any direction/ travels the distance of its own circumference.
- The kicker does not touch the ball a second time until it has been touched by another player.
- Kick off is taken without delay.

**PTE-2016**

**Interpret the following referee's signals.**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**ii)**

**iii)**

**i)**

**i)**Play on/advantage

ii)Indirect free kick

iii)Direct free kick/penalty kick.

**State three goalkeeper's fouls that may lead to an indirect free kick during a game of soccer.(3mks)**

- Delay the ball.
- Dangerous play without contact.
- Touching the ball pass to him/her by teammate
- Receive the ball with his hands directly from throw in from teammate.
- Touching the ball again with his hands after releasing it from possession and before it is touched by another player.
- Delay to release the ball for more than 6 seconds.
- Leaving the penalty area with the ball in hand.

**Describe the teaching points for goalkeeping in soccer(6mks)**

- Body inline with the oncoming ball.
- Legs together.
- Accurate timing/reaction time.
- Eyes on the ball.
- Goalkeeper correctly positioned/narrow the angle.
- Focus on the right mechanics of receiving, deflecting and kicking the ball/any mechanism e.g. punching, diving, kicking, punting etc.
- Cussion after catching the ball.
- Follow through after clearing the ball.
- Fingers well spread.
- Recover from rebound.

**PTE-2017**

**Describe the offside rule as applied in a game of Football.(2mks)**

- A player in a game of football is considered to be offside if he/she is nearer the opponents' goal line than the ball and the second last opponent.

**Give three instances when a football player is not judged to be offside during play.(3mks).**

- Is in own half of the field.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Receive the ball direct from goal kick.
- Receive the ball direct from corner kick.
- Receive the ball direct from throw in.
- Receive the ball direct from drop ball.
- When a player does not interfere with play.
- Player is in the same level/line with second last opponent.-

**Describe the procedure of heading the ball in a game of Football.(5mks)**

- Keep feet astride for stability
- Eyes on the ball throughout
- Timing the oncoming ball
- Stiffen neck muscles.
- Thrust head forwards the ball and head the ball in the desired direction.
- Use forehead for greater accuracy.
- Follow through.

**PTE-2018**

## ( b) (i) Outline four rules that apply to a goalkeeper while handling the ball during a game of soccer. (4mks)

- No dangerous play
- Handle the ball in penalty area with hands
- Catch ball touched by team mate but not intentionally passed
- Catch ball that is shot, headed or passed by opponent
- If team mate kick the ball, GK must dribble the ball first and gain control
- Distribute ball within six seconds from the moment of control
- If ball remains in penalty area after throw the GK must not handle it again
- Should not handle a ball from a team-mate's throw in

## (ii)Explain three principles of defensive play that may be applied in a game of Soccer. (6mks)

- Loss of ball possession- marks the start of defence
- Chase and pressure the player with the ball
- Support player who initiates the first line of defense
- Balance-cover all play zones as required
- Challenge defender nearest to the ball to initiate a tackle/challenge
- Delay- the player with the ball from passing by over guarding to allow defender/technigues to regroup
- Concentration

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Depth

**PTE-2019**

**b i)Origin of the modern-day football. (3mks)**

- Country- England
- Year - 1863

**ii)Characteristics of early Football include: (2mks)**

- There were no uniform rules that governed the game
- Legs and hands used to play
- It was an exercise for military
- It was played by only men

**iii)Systems of play in game of Football .(4mks)**

- 4-4-2
- 5-3-2
- 4-3-3
- 4-5-1
- 4-2-3-1
- 4-2-1-3
- NB. Any ratio of 10

**iv)Teaching points for a thigh trap in soccer. (4mks)**

- Move behind the path of the oncoming ball.
- Thigh kept parallel to the ground/raised
- Hands are raised away from the body to maintain balance
- Ball is trapped/controlled to a place in front of the feet
- Take comfortable stand/feet apart
- Knees flexed
- Eyes on the ball
- Lean slightly either backward/forward
- Hands out for balance

**PTE-2020 PREDICTIONS**

**1 )Name the three Africa countries that qualified for the 2018 World Cup Football competition.(3mks)**

- Senegal
- Morocco
- Tunisia
- Nigeria

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Egypt

**2)State the functions of the goal line in the soccer pitch. (4marks).**

- -Forms width of the field
- -Confirms the score
- -Where goal post is fixed
- -Indicates when a corner kick is to be awarded.

**3) Heading is an important skill in Soccer. Give Three reasons for heading in the course of playing the game. (3marks)**

- -To score
- -To give a pass
- -To control the ball

**4)Mention any four parts a soccer player may use to stop the ball during play** . (4 marks)

- Sole of the foot
- Inside of the foot
- Outside of the foot
- Chest
- Thigh

**5) Mention any three duties of the fourth official in soccer** (3 marks)

- Assists in substitution
- Indicates remaining time in game
- Helps centre referee with registration before game
- Can take over game incase centre referee is incapacitated

**6) Highlight at least two consequences of a red card in the game of soccer** (2 marks)

- The player leaves the pitch
- Team not allowed to replace that player
- Missing two consecutive matches

**7) Cite any three areas marked along the goal line in soccer in pitch**. (3 marks)

- corner arc
- goal area
- penalty area

**8) Reasons why allowance for the time lost may be made at the end of a soccer match. (2marks)**

- -Time lost through:
- -Substitution
- -Assessment of injured players
- -Removal of injured players from the field
- -Wasting time
- Any other cause

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**9) Highlight five types of trap in a game of soccer(5mks)**

- Chest trap
- Thighs trap
- Shin trap
- Inside of the foot trap
- Sole of the foot trap

**10) State five Offences that warrant a yellow card in a game of soccer. (5marks)**

- -Guilt of unsporting behaviour
- -Removing jersey to celebrate a goal
- -Showing descent by word or action
- -Delaying to restart play
- -Failure to respect the required distance when play is started with corner or free kick..
- Persistently infringes the law of the game.
- Enters or re-enters the field or play without referee's permission.
- Deliberately leaves the field of play without referee's permission.
- Disobeying referee decision by word or action.
- Kicking ball away after award of free kicks.
- Encroaching from a defense wall.
- Standing in front of the ball to prevent free kick.

**11) Duties of assistant referees in soccer. (5marks)**

- -Indicate ball out,throw in and side to take it
- -Indicate corner kick and team to take it
- -Indicate goal kick and team to take it
- -Indicate offside
- -Call attention of referee to rough play occurring out of referee's view
- -Indicate when substitution is requested
- -Indicate whether at penalty kicks the GK moves off the goal line before the ball is kicked and if ball crosses the line
- Indicate When the ball is out of the field of play, which side is entitled to corner kick, goal kick and throw in.
- -Indicate When misconduct or any other incidence has occurred out of the view of the referee.

**12) State four rules guiding kick-off in football game (4mks)**

- ball is placed stationary on the centre line mark/spot.
- every player must remain in hislher own half of the pitch until the ball is kicked.
- the opposing player must remain at a distance of 9 .15m away from the ball until kick is taken.
- the ball must travel its circumference to be in play
- the player that kicked the ball must not kick it a second time until it has
- been touched/kicked by another player
- a goal can be scored directly from a kick off
- the referee must blow the whistle before the kick-off is taken

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**13)State the condition under which a comer kick is awarded during a football match[2mks]**

- when the whole of the ball passes over the goal line having last been played/touched by a defending player.

**14) State** five **duties of a referee in football game. [5 marks]**

- gives final decision on the field of play
- gives warning/punish offending player
- starts the kick-off of the game
- blows whistle when a goal is scored
- indicates through blowing of whistle when the game end
- records goals scored and numbers of player that scores a goal
- cross checks any injurious equipment/finger nails of the player before the game starts
- tosses coin for the two teams before the game starts
- blows whistle when a rule is infringed
- Enforces the laws of the game
- Ensures that the ball meets the requirement.
- Controls the match with the assistant referees:
- Ensures that the players equipment meet the requirement.
- Acts as a timekeeper and keeps the records of the match.
- Stops, suspends or terminate the match, at his discretion for any infringement of the law.
- Stops, suspends or terminate the match at his discretions because of outside interference of any kind.
- Stops the match if a player is seriously injured and ensures that he is removed from the field.
- Allow the play to continue until the ball is out of play of if a player is slightly injured.
- Punishes more serious offences if a player commits more than one offence at a time.
- Takes disciplinary actions against a player guilty of caution able and sending off offences.
- Acts on the advice of assistant referee on the incidents that he has not seen.
- Restarts the match after if had been stopped.
- NB/ Decisions of the referee regarding facts concerned with the play are final.

**15) Identify two duties of Match commission in soccer game.(2mks)**

- He is the representative of the federation/organization organizing the tournament.
- He writes the report on how the game progressed and incase of any incident he reports to the federation, concerning: conduct of referee,players,spectators,field condition and security

**16) State two duties of Fourth official (substitution referee) in a game of soccer.(4mks)**

- Assist referee in general administrative duties e.g. inspecting players' equipment, facilities and registering players.
- He helps to enforce substitution.
- Incase the center referee is incapacitated he can take the whistle.
- Indicate time left
- Indicate players to be substituted and one to be substitute.
- Check substitutes attires,boots etc.

**17) Describe referee's signal for an indirect free kick..(1mk)**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Straight hand pointing upwards.

**18) Apart from at the start of the game, give two other occasions when the game start from the centre sport(3mks)**

- After every successful goal scored.
- After half time.
- Start of extra time

**19) Give three Qualities of a good referee in a game of soccer.(3mks)**

- Physical fit
- Conversant with the latest rules of the game
- Good eye sight
- Sympathetic
- Friendly and cheerful
- Firm in decision making
- Should not be biased.

**20) Name four parts of the body used to pass the ball in soccer ball(4mks)**

- Inside of foot
- Outside of foot
- Toes
- Heel

**21) State** two **ways by which a draw can be resolved in the game of football. [2 marks]**

- award of extra time
- award of penalty kick
- replay

**22) State five characteristics of soccer game.(5mks)**

- the size of field is big/explained
- the game is started with kick-off/centre pass
- eleven players make a playing team/twenty two players makes two teams
- ninety minutes fulltime/forty five minutes half time
- legs mostly used during the game
- winner is determined by the number of goals scored
- net covers the goalposts
- the game is played on the field

**23) During kick-off when is the ball said to be in play in soccer.(1mk)**

- When the ball moves it own circumference.

**24) State the condition of the ball that should be observed during the start of a soccer match.(2mks)**

- Size-circumference
- Pressure
- Material
- Shape
- Weight.

**25) Mention any two instances when tossing of a coin is used in the game of soccer.(2mks)**

- Decide on the side,when game is starting.
- Decide on side during extra time.
- Deciding the first team to take penalty during penalty shoot-outs

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Determine winner when all options of breaking ties are exhausted

**26) State three offenses leading to an indirect free kick.(3mks)**

- Entering field without permission.
- Goalkeeper, handles intentional back-pass with hands.
- Goalkeeper travel outside the penalty area with the ball.
- Time wasting.
- Offside.

**27)Explain the function of the following in a game of soccer:**

**a)Touch line/side line (110m) (2mks)**

- Forms the length of the field
- Substitution takes place along this line
- Used during throw in.
- Where the reams bench and officials bench is located.
- Where the referee assistants operate from.
- purpose of throw-in
- form boundary of the field.
- Assist referee area of operations.
- Exit of players during substitution..
- Where substitution is conducted.
- Help to know when the ball is out of play.
- Helps second referee to supervise throw-in.
- It join with goal line to form an arc.
- It restrict movement of referee.

**b)Center line/ Halfway line (2mks)**

- Subdivides the field into 2 equal halves.
- Substitution takes place along this line.
- Place kick takes place along this line
- Indicates when the player is offside.
- helps in judging offside.
- Where kick-off spot is found.it restrict movement of the second referee.
- Helps in substitution.
- Where the centre circle is located.

**c)Goal line (75m) (2mks)**

- Forms width of the field
- Confirms the score/determine goal scored
- Where the goal post is fixed.
- Indicates when a corner kick is to be awarded.
- Dertermine goal kick.

**d)Goal area/box (5.5m x 18.32m) (2mks)**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- This where the goalkeeper can't be charged while handling the ball.
- Limits the area within which the ball shall be placed stationary during the goal kick.
- Area within which the goalkeeper has special protection and privilege, i.e. the goalkeeper CANNOT be charged by any opponent herein.

**e)Penalty area/penalty box (40.32 x 16.5m) (2mks)**

- Where the goalkeeper enjoys privileges e.g. handling the ball.
- The opponents should be outside this area during goal kick.
- The ball is considered to be in play once it moves out of this area during foal kick.
- If a player commits any of the ten penal offences within this area then penalty kick is awarded to the opponents.
- Where goalkeeper catches the ball.
- Where penalty kick is awarded and taken.
- Where goal kick ball has to travel outside it.

**f)Penalty arc (R – 9.15m) (2mks)**

- Helps to maintain the opponents away from the goal at a distance of 9.15m during penalty kick.

**g)Penalty spot (2mks)**

- 11m from the goal line where the ball is placed during penalty kick.

**28)Outline the teaching points of a throw-in in a game of soccer.(4mks)**

- Hold ball in both hands.
- Feet on the ground.
- Face the pitch.
- Elbow pointing outwards.
- Release ball from behind the head.
- Follow through.

**29)Identify three items that a referee in soccer should possess.(3mks)**

- Whistle.
- Red card.
- Yellow card
- stop watch
- Coin
- Pen/pencil
- Note book

**30)Identify the four functions of penalty area in a game of soccer.(4mks)**

- Area within which goalkeeper may catch the ball/use hands.
- Area outside which ball must travel during goalkick.
- Area within which,if a player from defending team commits any of the penal offences, a penalty kick is awarded.
- Area outside which all players must stand during penalty kick.
- Contain penalty spot/mark.

**31)Outline two difference between juggling and dribbling skills in a game of soccer.**

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Juggling involve ball above the ground/airborne/aerial while driblling involves ground ball.
- Juggling may used different parts of the body while dribbling use the foot only.
- Juggling ball kept above ground while dribbling, ball moves on ground.

**32)List any two systems of play in the game of soccer.**

- 4-4-2
- 4-2-4
- 2-3-5
- 4-2-3
- 3-3-4

**33)Mention any two methods the referee can use to effectively control a soccer match.(2mks)**

- Diagonal system
- Straight line patrol.
- Zig-zag patrol
- Oval patrol.

**34)Outline three procedures to be followed in breaking a Tie in a knock-out soccer match.(3mks)**

- Extra time of 30 min(2halves of 15 m each)
- Post match penalties.
- Sudden death penalties
- Tossing coin.

**35)Other than dividing the soccer pitch into two equal halves, give THREE uses of the Halfway line(3mks)**

- Kick-off/each player on own half of the pitch
- Offside rule/player not offside before crossing the halfway line.
- Post match penalties/players not taking post match penalties remain on one half of the pitch.
- Centre spot/centre mark on the halfway line.

**36)Identify any Two differences between stopping and Trapping skills in soccer(2mks)**

- Stopping involves ground balls, trapping involves aerial balls.
- Stopping involves use of the foot only trapping involves use of other body parts.

**37)State FOUR major teaching points for the skill of trapping the ball using the instep(4mks)**

- Staggered stance with arms extended for balance.
- Eyes on the on-coming ball.
- Lift the keg upwards and forward to meet aerial ball using instep part.
- On contact withdraw leg downwards and back to absorb impact.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**38)Give TWO instances when a goalkeeper is penalized for handling the ball during the game of soccer.(2mks)**

- Back pass from a teammate using foot/leg
- Holding/catching ball outside penalty area.

**39)Incase a centre referee is incapacitated during a soccer match, who takes charge?(1mk)**

- The fourth($4^{th}$) official

**40)Give three purpose of fixing the Net on the goal mouth in soccer .(3mks)**

- Confirming the score
- Avoid a lot of disputes
- Avoid wastage of time be preventing the ball from going far.

**41)Name five players equipment in a game of soccer.(5mks)**

- Jersey/shirt
- Shorts
- Stockings
- Shin guards
- Foot wear
- Goalkeeper's gloves

**42) When do Place kick (kick off) administered in a game of soccer(4mks)**

- At the start of the match
- After a goal has been scored.
- At the start of each period of the extra time where applicable.
- A goal may be scored directly from a place kick.
- After a team scores a goal the other team takes the kick off.

**43)State any four Procedure of administering kick-off in soccer game.(4mks)**

- All players at there respective halves of the field of play.
- Ball at the center spot.
- The team starting lines up along the center b within the center circle.
- Opponents outside the center circle and must maintain a distance of 9.15m from the ball.
- Ball considered being in play once it moves forward.
- A player cannot pass the ball to himself.

**44)Identify five Cases when Drop ball is awarded in a game of soccer.(5mks).**

- When there is simultaneous offence.
- When there is technical problem e.g. basting of the ball
- External interference e.g. spectator invading the court.
- When referee is uncertain of the player who has committed the offence.
- When the game was stopped due to bad weather.
- When the game was stopped when lowering national flag.
- Stoppage in case of injuries.
- After an interruption and none of the players was in possession of the ball

**45) State the Procedures of administering Drop ball in soccer game.(3mks)**

- Done at the point where the incident occurred.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Two opposing players stand facing each other and hands straight along side their body.
- Referee drops the ball down considering the waist of the shorter player.
- The ball is considered to be in play once it touches the ground.
- Shall be taken between two opposing players
- Shall be taken at a point i.e ball was at the moment of interruption.
-

**46)When do "Bal in play" in a game of soccer. (3mks)**

- The moment referee blows the whistle for the game to commence during place kick and throw in.
- When the ball hits the ground during drop ball.
- When the ball moves forward during corner kick.
- When ball hits goal post, corner flag, referee or referee assistant who is standing in the field.
- When the ball moves out of the penalty area during goal kick.

**47)Explain the following terms as used in a game of soccer:**

**a)Fouls** ---these are offences due to a player breaking the law of the game.

**b)Misconduct** – these are offences due to a player displaying unsportsman like behaviour or playing contrary to the game to the spirit of the game.

**48) When do "Penalty Kick" awarded in a game of soccer**

- This awarded if any of the above offences are committed inside a player's penalty area intentionally.

**49)Explain six offences leading to award of *Red-card in a game of soccer.(6mks)***

- Is guilty of serious foul play
- Is guilt of violent conduct.
- Spits at an opponent or any other person.
- Denies an opponent a goal or an obvious scoring opportunity by deliberately handling the ball (this does not apply to goal keeper within his own penalty area.)
- Denies an obvious goal scoring opportunity to an opponent moving towards the player's goal by an offence punishable by free kick or penalty kick.
- Uses offensive, insulting or abusive language
- Receive a second caution (yellow card) in the same match.

**50)What is "Corner kick" as used in a game of soccer.(2mks)**

- It is awarded when the whole ball having last been touched by a player of the defending team passes over the goal line and a goal is not scored.
- A goal may be scored from corner kick.

**51) State the rules that govern corner kick in a game of soccer.(3mks)**

- The ball is placed at the corner arc.
- Opponents 9.15m away from the ball.
- Flag should not be removed.
- A player can't be offside during corner kick.
- A player cannot pass a ball to himself.
- Ball place stationary in the corner arc.
- Taker should wait for the referee whistle

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Taker cannot play the ball twice.

**52) What is "penalty shoot-out" in a game of soccer.(2mks)**

- It is taken from a penalty mark/spot.
- Is a method of determining a winning team where the competition requires a winning team after the match have been drawn.

**53)State any FIVE Procedure of administering penalty shoot-out in a game of soccer.(5mks)**

- Referee chooses the goal at which the kicks shall be taken.
- Referee tosses a coin and the team for the winning captain takes the first kick.
- Referee keeps a record of kicks taken.
- Each team takes 5 kicks alternatively.
- If both teams have taken 5 kicks and one has scored more goals than the other could score, even if it were to complete 5 kicks no more kicks are taken.
- If after both teams have taken 5 kicks, both have scored same number of goal, kick continue until one team has scored a goal more than the other from the same number of kicks.
- Each kick is taken by a different player and all eligible players must take a kick before a player takes a second kick.
- All players except the player taking the kick and the two goalkeepers must remain within the center circle.
- Each team should select five players to take penalties

**54)Explain the following terms as used in a game of soccer:**

**a)Panting(1mk)**

- This when a goalkeeper catches the ball and does not take 4 steps of 6 seconds before tossing the ball in air and kicking it.

**b)Narrowing the angle: (1mk)**

- This is moving from the goal line towards the attacker with the ball.

**55)State three Heading skills that can be used by a player during a game of soccer.(3mks)**

- Side head
- Forward head
- Back head.

**56)Identify three Reasons for heading the ball in a game of soccer.(3mks)**

- To score
- To give a pass
- To control the ball

**57)Name four Types of passes in a game of soccer.(4mks)**

- Wall pass
- Through pass
- Square pass
- Diagonal pass
- Inter pass

**58)Differentiate between half-volley kick and full-volley kick in a game of soccer.(2mks)**

*Half -Volley kick*

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- ball lands first, bounce and then hit.

*Full Volley kick*

- ball is hit before it lands

**59)Define " DRIBBLING" as used in a game of soccer.(1mk)**

- This is moving with the ball under control by short controlled taps.

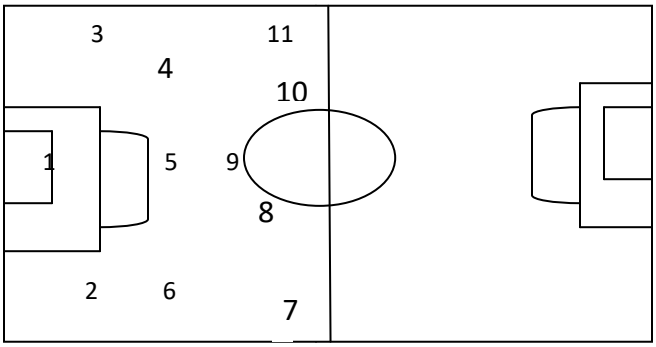
**60)Name two Types of dribbling in a game of soccer.(2mks)**

- Single leg/open
- Double leg/closed

**61) Identify five Reasons for dribbling in a game of soccer.(5mks)**

- To advance with the ball
- To give teammate room to open
- To move the ball into position to shoot towards the goal
- To reduce the pace of the game
- To move the ball into open space to give opportunity for opponents to re-orgarnize themselves.
- To beat an opponent
- To create a clear chance of scoring
- To cover the distance.
- To control the ball
- To dodge an opponent
- To give teammates time to get free.

**62)Name the playing position shown in the diagram below:**



1. Goal keeper
2. Right full back
3. Left full back
4. Left half back
5. Centre back
6. Right half back
7. Outside right
8. Inside right
9. Centre forward
10. Inside left
11. Outside left

**65)State any three Formations (playing systems) in a game of soccer.(3mks)**

- Classic formation: 2-3-5
- WM formation: 3-2-2-3
- 4-2-4
- Sweeper system: 1-4-3-2

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- 5-3-2
- 4-4-2

**66) Explain the following terms for ball control in a game of soccer:**

**(a) Trapping**

- This is applied when controlling aerial balls though the ball is not completely controlled. Parts used in trapping the ball include: Head, shoulder, thigh, heel, instep and sole.
- Act of bringing the ball in motion under ones control.

**(b) Stopping**

- Used to control the ball completely dead. Parts used include; shoulder, instep, inside of the foot and outside of the foot.
- A resting the motion of a moving ball.

**c) kicking**

- act of letting forcefully a ball putting in motion using the foot.

**67)Explain the following terms as used in a game of soccer:**

a) **Juggling**

- Tapping the ball in air using several parts of the body.

**b). Dodging/feinting/faking**

- This is anticipating the opponent to go in the wrong direction.

**68) State any two Qualities of mid fielders in a game of soccer.(2mks)**

- Good ball dribbling
- Good ball distribution/passing
- Should be swift.

**69) State any three Qualities of full back players in a game of soccer.(3mks)**

- Good timing/reaction time
- Enduring
- Good tackling technique
- Strong shots/kicks

**70) State three Qualities of forward players in a game of soccer.(3mks)**

- Very fast
- Good accurate shots
- Good reaction time
- Good ball control.

**71) Describe "throw-in"as used in a game of soccer.(2mks)**

- Is a method of restarting a play awarded when a whole ball passes over the touchline either on the ground or in the air.
- It is awarded to opponent of the player who lastly touched the ball

**72) Name any four equipment used by the game officials in soccer.(4mks)**

- Whistle.
- Sets of cards(yellow card and Red card)
- Flag
- A pen and note book
- Stop watch.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Substitution board indicator(used by 4th official)

**73) Identify three purpose of flag in the game of soccer.(3mks)**

- To indicate the direction to which the ball is to be taken.
- To indicate when the ball is out of field of play
- To indicate when the player is offside.
- To indicate when the team has requested for substitution.

**74) Define the following terms as used in a game of soccer:**

**a) Hat-trick (1mk)**

-a player who score more than 3 goals in a match.

**b) Golden goal (1mk)**

-the only score in a match i.e 1-0.

**c) Golden Boot (1mk)**

-the prize given to the best player/top scorer.

**d) Knock-out (1mk)**

-is where a winner is allowed to continue and the loser of every game is eliminated from the tournament.

**e) Abandonment (1mk)**

-failure of a match to end up maturely before the required time.

Seeding-is the placement of teams depending on the past records(considering a strong team)

**f) A bye (1mk)**

-is when a team is exempted fro playing the first round but it is allowed or promoted next automatically.

**g) Walk over (1mk)**

- is when the opponent team fail to turn up for a game and the other team is given two goals and three points.

**h) Handicapped system** (1mk)

- is the system of balancing of learners/players e.g less number of boys playing against many girls.

**75) Highlight four qualities that you may look for when selecting a soccer team.(4mks)**

- Height
- Body physic
- Interest
- Ability
- Knowledge
- Physical fitness.

**76) How may substitutes are allowed in a game of soccer(1mk)**

- 3 (three)

**77) Describe five ways of ensuring equal participation in matches involving both boys and girls.(5mks)**

- Boys hands/arms could be tied.
- Boys should kick the ball with left leg
- No heading for boys.
- Have smaller population of boys than girls.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- More than one goalkeeper for girls
- No offside for girls.

**78) State ways of adjusting each of the following to ensure maximum participation in soccer:**

**a) Duration of play (2mks)**

- Reduce the length of each game.
- Reduce the length of time for the rest interval

**b) Field of play (2mks)**

- Reduce the size of field
- Reduces the width and the length of the field.
- Sub-divide the field

**c) Equipment (2mks)**

- Improvise some more balls.
- Improvise whistle.
- Retain the rules relating dressing

**d) Officiating (2mks)**

- Use pupils/learners to officiate.
- Use other teachers to officiate.
- Relax the rules e.g for scoring a

**79) Define play offs as used in soccer(1mk)**

- A game involving losers of semi final to determine the third and fourth position.

**80) State two consequences of being send off during ex-soccer match.(2mks)**

- Player leaves the field of play and team bench.
- Player not substituted
- Player miss two consecutive matches or a number of matches decided by the organizer.

**81) Name three match officials in a game of soccer.(3mks)**

- Referee(centre)
- Second referee(linesmen)
- Fourth official

**82) Identify three instances when a referee may stop the game in soccer.(3mks)**

- In case of an injury
- In case of consultation between game official.
- In case of external interference e.g power failure.

**83) Explain the difference between direct and indirect free kick in a game of soccer.(2mks)**

- In an idirect free kick,the ball must be touch by a second player for a score to be while in indirect free kick goal can be scored direct without touching the second player.

**84) State two instances when opponent may charge a goalkeeper and is not penalized in a game of soccer.(2mks)**

- When a goalkeeper is holding the ball-

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- If he/she is outside the goal area.
- If he/she is obstructive
- If the goalkeeper waste time and in doing so it gives an advantage to his team..

**85) State the difference between a place kick and kick off in a game of soccer.(2mks)**

- Kick off is the starting of the game from the centre.
- Place kick is restarting of the game fro the centre.

**86) Describe the procedure of cautioning a player in a game of soccer.(4mks)**

- The referee blow a whistle.
- Referee call the concerned player towards him/her.
- He shall note down his name and number
- Alert him/her of the caution and consequences of further misconduct+.

**87)Identify four procedures of suspending a player in a game of soccer.(4mks)**

- Blow of the whistle.
- He shall call the concern player
- Note down his name and number
- Shall indicate a punishment using a red card.

88) **What options does a team have where a goal keeper is suspended in a soccer game.(2mks)**

- One of the player is taken out and substitute goal keeper.
- One of the field players takes position of the goal keeper.

**89) What is "Technical area" as used in a game of soccer.(1mk)**

- Is art area outside the side line where game official and substitutes seat during the game.

**90) Name any five basic skills used in a game of volleyball.(5mks)**

- Dribbling
- Passing
- Heading
- Trapping
- Stopping
- Tackling
- Shooting
- Goal keeping

**91) What is the offensive objectives in soccer game(2mks)**

- To maintain possession of the ball and get it in front of the opponent's goal area in preparation for a score.
- Ball possession
- Getting the ball near opponent's goal.
- Scoring.

**92) Describe defensive objectives in a soccer game(2mks)**

- To restrict opponents from the ball
- To guard opponents in scoring position
- To tackle opponents
- To take the ball away and concentrate in front of their goal when the ball is in scoring position.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**93) Describe the teaching points for effective kicking in a game of soccer using the following subheadings:**

**i) Whole body position (1mk)**

- Slightly incline forward

**ii) Base of support (1mk)**

- Position of the grounded foot and sticking foot should ensure optimum stability, proper contact and angle for execution.

**iii) Alignment to the ball (1mk)**

- Position body early in preparation for proper angle and point of ball contact to ensure optimum execution.

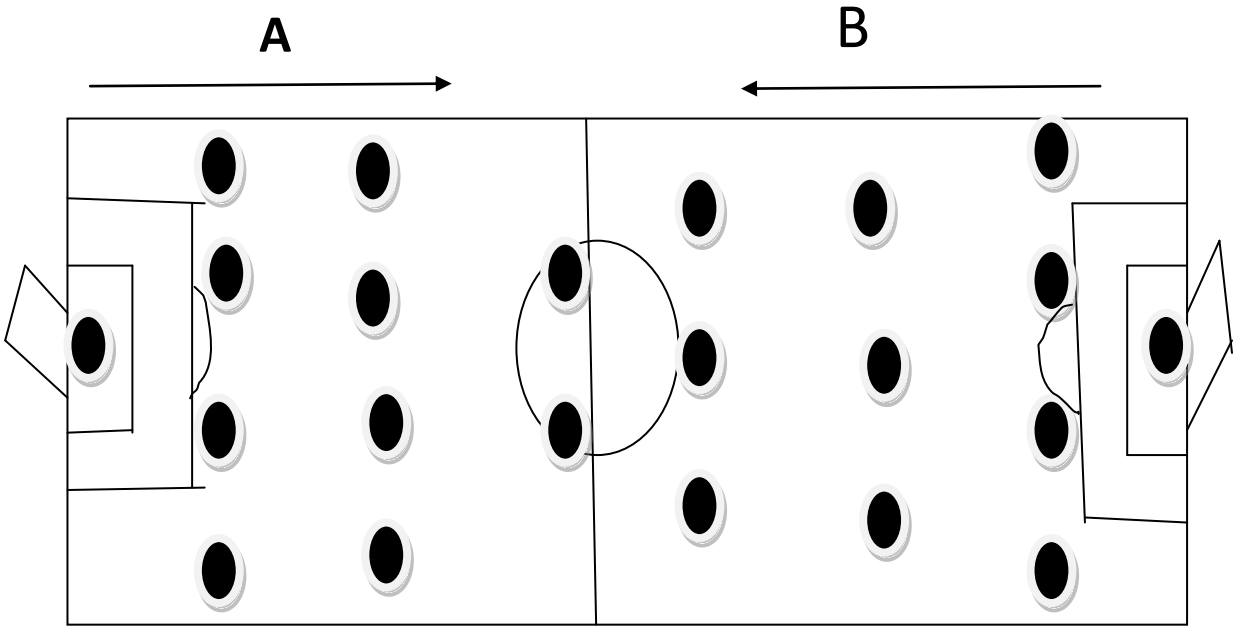
**iv) Ball contact (1mk)**

- Strike ball at exact spot using proper line of force and correct force to give necessary ball speed and direction.

**v) Follow through (1mk)**

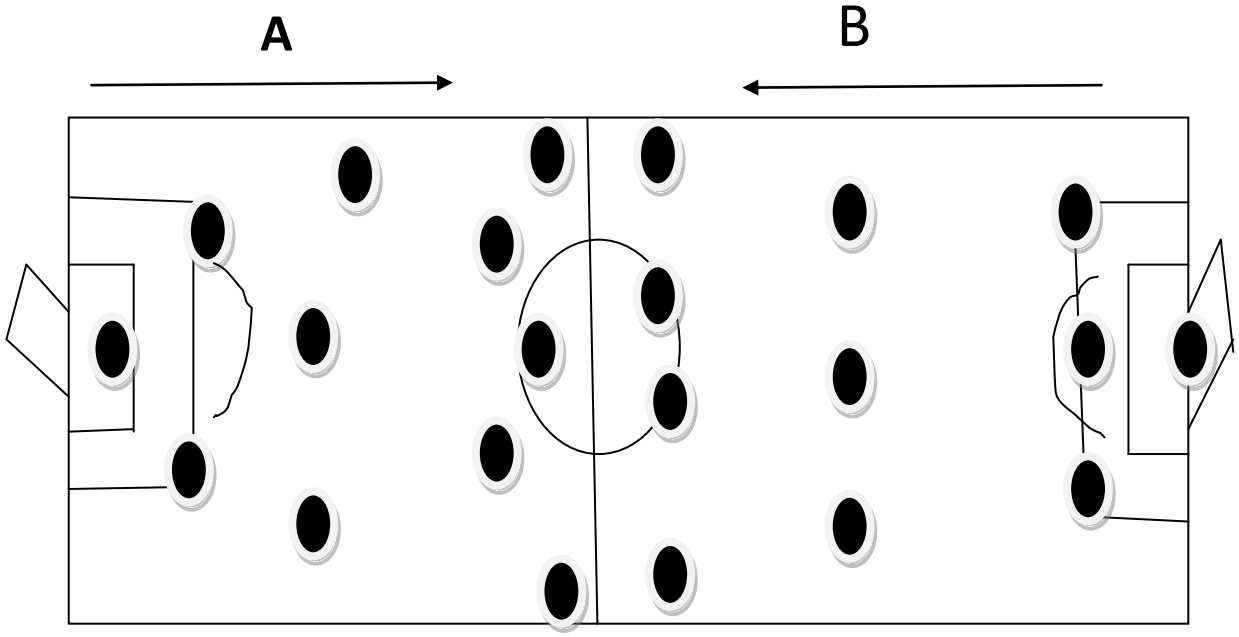
- Strike ball with full range of motion and the foot and leg making necessary follow through to the intended line of flight of the ball.

**94)The diagram below shows a football field, team A ,used 4-4-2 system of play and team B used 4-3-3 system of play. indicate there system of play for both teams in the diagram below before kick-off .(6mks)**



Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**95)In the diagram below of a soccer field indicate a system alignment at kick off number 2-3-5(W) verse 3-3-4 .(6mks)**



**96) Explain the movement of the ball as used in guiding principles to good kicking in soccer game under the following subheading**

**a) Contact ball at midline or slightly above the midline(1mk)**

- ball is kick low or move along the ground

**b) Contact ball below midline (1mk)**

- lift the ball from the ground

**97) what is punting as used in a game of soccer.(1mk)**

- is holding the ball with both hands at waist level in front of the body and directly over the kicking leg then ball is kicked forward.

**98) Highlight the teaching hints of punting in a soccer game.(5mks)**

- Ball is held about chest high in both hands.
- Ball is directly over the kicking leg.
- For stationary punt, the kicking leg swings forward and upward as the ball is dropped.
- As the leg moves in a forward and upward direction the ball is contacted using instep.
- Follow through is done as the leg is extended in the direction of the kick

**99) Highlight the teaching hints of shin trap in a game of soccer.(5mks)**

- Position body behind the incoming ball.
- Keep eyes on the ball throughout.
- Feet are kept parallel.
- As incoming ball approaches, the knees are flexed and trunk bends slightly in front.
- Arms are extended outward from the body side for balance.
- As the ball make contact with the shin the leg is pushed slightly down to trap the ball.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**100) Name the parts of the body used to trap the ball in soccer game(4mks)**

- Shin
- Sole of foot
- Inside of foot
- Thigh
- Chest

**102) Identify the teaching points of passing in a game of soccer.(5mks)**

- Focused eyes throughout on the ball during contact
- Use outside or inside of the foot to make contact with the ball.
- Place non kicking foot alongside the ball
- Spread arms for balance.
- Kicking leg make follow through to the intended ball direction.

***Note**-passing can be short pass(push pass) or long pass*

**103)Explain the following types of passes at various angle in soccer ball:**

**a) Square pass (1mk)**

- -made at right angle to the attacker

**b) Wall pass (1mk)**

- Is kicked to a teammate who immediately make a direct return pass.

**c) Through pass (1mk)**

- Thrust the ball behind the opponents into their defensive space to be received by a teammate.

**104) What is "Dribbling" as used in soccer game.(1mk)**

- Refers to controlling and maintaining possession of the ball while moving in any direction or around opponent.

**105) Give five teaching points for dribbling in a game of soccer.(5mks)**

- Keep ball closely in small area.
- Maintain balance to be able to move in any direction.
- Lean forward, with the head over the ball
- Held head up for good vision of teammate and opponents.
- Use light ball touches or taps use both feet and various parts of each foot to control the ball.
- Vary speed and direction of dribbling.
- The point of contact with the ball is midway.
- Use the whole of the inside of the foot
- Place foot at the top of the ball immediately after stop.
- Keep ball close to the feet
- Avoid frequent looking of the ball.
- Eyes set a head of the ball
- Follow through with the foot, kept low.

**106) Name two types of Heading in a game of soccer.(2mks)**

- Defensive heading

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Attacking heading.

**107) Give five teaching points for Heading in a game of soccer.(5mks)**

- Stand with feet slightly staggered.
- Focus eyes on the ball.
- Tilt the head slightly back just before contacting the ball then bring it forward to hit the ball with fore head.
- Time the ball properly
- Apply force and hit the ball either forwards, downwards or sideways.

**108) Highlight the teaching points of Throw-in in a game of soccer.(5mks)**

- Stand facing the field of play.
- Part of each foot must be either on the touch line or on the ground outside the sideline.
- Close up hands behind the head.
- Throw the ball from behind and above the head.
- At the time of release both feet must be on the ground.
- Use both hands

**109) Describe five ways to consider for successful scoring in a game of soccer.(5mks)**

- Shoot without snatching at the shot.
- Always hit the target
- Take a shorter time to shot.
- Have good control of the ball
- Be able to shoot with either of the foot.
- Have the ability to head from all angles.

**110) What is Goalkeeping as used in soccer game.(2mks)**

- Is the ability to prevent the ball from entering the goal.

**111) Highlight five consideration that a good goalkeeper should do in a game of soccer.(5mks)**

- Catch the ball with cupped hands
- Catch rolling ball
- Punch high balls
- Catch low ball.
- Dive for to catch the ball.
- Time to move out to meet the oncoming attacker so as to narrow the distance.
- Identify teaching points for goalkeeping for ground balls.(4mks)
- Stay on the part of the on coming ball
- One knee should be on the ground with eyes focused
- With palms wide open,grab the ball quickly and bring it close to the body.

**112) Identify teaching points for goalkeeping for low balls.(4mks)**

- Stay in crouch position with knees slightly bent.
- Keep the body weight forward and onto the bolls of the feet for balance

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Time the ball and take off to dive horizontally.
- Let the top hand reach to catch the ball first, before the other hand joint it for a firm grip.
- Focus eyes on the ball throughout.

**113) Identify teaching points for goalkeeping for aerial balls.(4mks)**

- Get behind the oncoming ball.
- With arms outstretch get hold of the ball and cushion it by bringing the arm close to the chest
- For high ball, reach out to catch..
- Focus eyes on the ball.
- Time the ball and assess the speed of the ball.
- Jump when sure of getting the ball.
- Punch or push the ball clear if the players get in the way.
- For ball which are out of reach dive to punch away from goal using fist/palm
- For greater high, use only one hand to punch the ball.

**114) State the importance of lead up game of soccer(2mks)**

- Assist in development of learnt skill.
- Assist in development of the overall game of soccer.
- Help learners to refine the skills learnt
- It involves competition base on specific skills
- Provide enjoyment for learners

***Note*** - *lead up is also called, condition game/minor game/ or small sided group game.*

**115) Highlight five teaching and organizational hints for conditioned soccer game.(5mks)**

- Drills and lead-up activities should be well organize to maximize the involvement of all learners.
- Proper warm-up and cool-down activities should be emphasized before and after each lead-up game session to minimize injuries.
- Modify rules and regulation and adopted to suit the prevailing situation.
- Modify scoring in line with learner's ability .
- Have enough soccer ball if necessary improvise
- Include drills featuring different skills, offense and defense.
- All drills should be fun, interesting , challenging and appropriate to the development and ability level of the learners.
- Lead-up game should encourage use of the skills learnt or practiced previously
- Used cones or marked area on playing field to assist in group and individual practice.

**116) Name the body that runs the affairs of soccer game in Kenya.(1mk)**

- Kenya Football Federation.(KFF)

**117) State SIX teaching points for a successful tackle in a game of soccer.(6mks)**

- Precise and good timing.
- Accuracy

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Close marking of an opponent
- Good ball anticipation.
- Element of surprise.
- Direct blocking of the ball's path.
- Use of body feints and dummying.
- Keep knees bent and lowering centre of gravity.
- Firm and aggressive confrontation/closing down on the opponent.

**118) Explain the teaching points for effective goal keeping in a game of soccer.(5mks)**

- Quick positioning or alignment of body in line of the oncoming ball.
- Eyes always on the ball.
- Use hands and arms at all times (curling) to make initial contact with the ball.
- Use curled fingers and thumbs to absorb the force of the ball and bring it close to the chest.
- Apply quick reaction and movement.
- Body flexibility and agility are crucial.

**119) Explain the responsibilities of the following players in soccer game:**

**a)Defense players(2mks)**

- Distribute the ball wide immediately upon possession
- Provide support to teammate with the ball.
- Prevent the ball from passing across the goal mouth.
- Control the ball and pass quickly to midfield area.
- When under pressure can pass the ball to teammate, put out of bound over sideline, pass to goalkeeper or pass over end line as last option.

**c) Attacking players.(2mks)**

- Ensure wide passes for control and spreading the defense.
- Penetrate with ball when possible.
- Cross ball in front of goal mouth, preferably in the air.
- Make short passes, preferably one or two touch contacts.
- Shoot whenever possible
- Pressure for the ball when it is lost to opponents.

**120) State FIVE offensive principles on a game of soccer.(5mks)**

- Width-is distribution of ball using corners to open large area for attack penetration.
- Depth/support-is positioning a head or behind of passing angle and ensure ball possession.
- Penetration-is making ball to deeply pass an opponent toward the end line.
- Mobility-is movement of players without the ball to different positions.
- Improvisation-is the mobility to adjust to ever changing play situation.
- Gaining ball possession
- Support

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Communication
- Combination play
- Good finish.

***Note-****award 1 mk for either a point or explanation.*

**121) Highlight FOUR defensive principles used in a game of soccer.(4mks)**

- Delay-positioning in front of the player with the ball so that the ball cannot make immediate penetration.
- Balance-the spreading of players across the field to protect all areas
- Concentration-is retreating by all defensive players to form barriers and congest around the goal scoring area.
- Pressure- is forcing opponents to make mistakes through aggressive play.
- Loss of ball possession
- Chase and pressure
- Support
- Challenge
- Counter attack

***Note****-award 1 mk for either a point or explanation.*

**122) What is "systems" as used in a game of soccer.(1mk)**

- Refer to the formation and placement of players on the field where they apply techniques, principles and tactics.

**123) State three offensive styles in a game of soccer.(3mks)**

- Long pass
- Short pass
- Positioning(static, fast and slow)
- Dribbling.

**124) State three defensive styles of play in a game of soccer.(3mks)**

- Zonal defense.
- Man-to-man
- Rotational play
- Diagonal play

**125) Name the three basic position of players on defense which is describe by acronym "PCB" in a game of soccer.(3MKS)**

- Pressure-*first defender ,closest to ball his/her job to provide pressure*.
- Cover-*second defender, closer to teammate's goal than the opponent his job to provide cover.*
- Balance-*third defender,closest to the goal,provide balance to defense,provide additional cover for 2 primary defenders,watches out for extra incoming attacker*

**126) Describe four defensive ways of applying pressure to an opponents in a game of soccer. (4mks)**

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Letting the attackers to make mistakes
- Feinting a tackle.
- Using controlled approach by employing feints.
- Letting players assume a 45-degree body position relative to the opponent
- Maintain a low centre of gravity.
- Eyes should be kept on the ball throughout.
- Controlling the speed of approach by using time of ball flight.

**127) Explain "ball in play and out of play" as used in a game of soccer.(2mks)**

- Ball is in play during kick-off, goal kick, corner kick, free kick, penalty kick and drop ball.
- Ball is out of play when it has wholly crossed the goal line or touch line when the game has been stopped by the referee.

**128) Highlight three things that must occur before an attacker can be in an offside position in a soccer game .(3mks)**

- Must be across the halfway line, in his opponents' half of the field.
- Must be closer to his opponents' goal line than the second-last defender(even if he is with the second-last defender, he is in onside.
- Must be ahead of the ball.
- He is not receiving the ball directly from a goal kick, a corner kick, a goal kick or throw-in

**129)When do the following awarded in a game of soccer:**

**a) Throw in(2mk)**

- The whole of the ball passes over the touch line, either on the ground or in the air
- Ball passes entirely over touch line

**b) Goal kick (2mk)**

- The whole of the ball, having last touched a player of the attacking team, passes over the goal line either on the ground or in air and a goal is not scored.
- When the ball having last touched a player of the attacking team, pass over the goal line and a goal is not scored

**c) Corner kick (2mk)**

- The whole of the ball having last touched a player of defending team, passess over the goal line, either on the ground or in the air, and a goal is not scored

**d) Penalty kick (2mk)**

- Is awarded against a team which commit one of the offences for which a direct free kick is awarded, inside its own penalty area and while the ball is in play.

**130) Explain if the goal scored directly from kick off, throw-in, goal kick and corner kick is valid or invalid in a game of soccer.(4mks)**

- A goal can be scored directly from the kick off.
- A goal cannot be scored directly from a throw-in.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- A goal may be scored directly from a goal kick, but only against the opposing team.
- A goal may be scored directly from a corner kick, but only against opposing team.

**131) Name any five bodies that govern soccer.(5mks)**

- F.I.F.A- federation of international football association.
- C.A.F- confederation of Africa football.
- U.E.F.A- union of European football associations
- F.K.F- Kenya football federation.
- C.E.C.A.F.A-council of east and central Africa football association

**132) Name TWO major competition organize by each of the following bodies that govern soccer:**

**i) F.I.F.A. (2MKS)**

- world cup(after every 4 years)
- world youth championship
- world women championship.

**ii) C.A.F.- (2MKS)**

- Africa cup of nation(held after 2 years)
- African club championship
- CAP cup-formally know as Mandela cup.
- Under 20 youth championship
- Women championship.

**iii) C.E.C.A.F.A.-(2mks)**

- club championship.
- Youth championship- under 17, under 20
- Senior challenge cup

**133) Highlight FIVE substitution procedures as used in a game of soccer.(5mks)**

- The referee is informed.
- The substitute enters the field once the player being replaced has left the field.
- The substitute enters the field at the halfway line(centre line) during stoppage in the match
- Once substituted that player cannot take part in that match.
- A field player may change places with the goalkeeper provided the referee is informed before the change is done.

**134) State the duties of each of the following team official in a game of soccer:**

**i)Team captain .(2mks)**

- Represent a team in tossing of a coin.
- Address official in case of complaints or protest.

**ii)Team coach .(2mks)**

- Design coaching and work out sessions for the team.
- Select the players

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Advise the players on playing tactics and system.
- Effect the substitution.

**iii) Team manager.(2mks)**

- In charge of the welfare of the team
- Provide the equipment
- Provide accommodation.
- Travelling document processing
- .
- Give allowances
- Provide food and drinks.
- Spokesman of the team.
- Ensure discipline of the team

**135) Interpret the following referee signal as used in a game of soccer.**

a)

b)

c)

d)

e)

***solution:***

a) goal kick

b)corner kick

c) throw-in for attacker.

d) throw-in for defender

e) substitution

**136) Name any three major soccer clubs in Kenya.(3mks)**

- Tusker FC
- Shabana
- Sony Sugar
- Mumias Sugar
- Gor Mahia

**137) Name any five equipment (both for players and officials) in game of soccer.(5mks)**

- Ball
- Two goals
- Jersey/Shirt
- Shorts
- Stockings
- Shin guards
- Footwear
- Whistle
- Flags
- Cards

**138) Why is the player's uniform have different color with that of their goalkeeper, *(1mk)***

- To distinguish him/her from other players

**139) Highlight four Duties of goalkeeper in a soccer game.(4mks)**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Prevents goals/scores using any part of the body e.g. catch ball, punch ball etc.
- Punts balls.
- Takes goal kicks when appropriate.
- Organizes teammates during free-kicks, corner kicks, etc.
- Encourages and advice teammates.

**140) Explain teaching points for the full-volley kick in soccer game.(3mks)**

- Staggered stance with a slight backward lean and eyes on the ball.
- Body weight on the grounded leg with arms spread for balance.
- Kicking leg swings backwards and sideways, then knees straighten forward as the foot swerves to the aerial ball to meet the ball without bounce while in air.

**141) State teaching points for the half-volley kick in soccer game(3mks)**

- Staggered stance with a slight backward lean and eyes focused on the ball.
- Body weight on grounded leg and arms extended for balance.
- Kicking leg swings backwards and sideways, then with accurate judgment, the knee straighten forward on a low trajectory to contact the aerial ball after a bounce once using the instep.

**142) Describe three Common mistakes in kicking by beginners in a game of soccer(3mks).**

- Poor timing, i.e. moving/swinging the leg too early or too late as to miss the ball.
- Using the wrong part of the foot for a specific skill leading to misdirection e.g. hitting the ground in kicking using the toes.
- Poor posture and stiff body muscles leading to poor co-ordination.

**143) Give four teaching hints of Juggling in a game of soccer.(4mks)**

- Staggered stance with body weight evenly distributed.
- Lift the ball off from the ground using the instep.
- Keep ball in the air a maximum of head height with repeated taps/touches using various body parts e.g. foot, thigh, chest, head, etc.
- Feet kept on toes and arms extended for balance.

**144) State three teaching points of Defensive heading in a game of soccer.(3mks)**

- Staggered stance or legs shoulder-width-apart with body weight evenly distributed with a slight backward lean and arms extended for balance.
- With eyes focused on the on-coming ball, make a powerful take-off leap, step forward or short run to the ball at apex.
- Swing the head forcefully forward to contact the ball using the forehead and clear the ball away without any turn.

**145) State three teaching points of Offensive heading in a game of soccer.(3mks)**

- Staggered stance or legs shoulder-width-apart with bodyweight evenly distributed with a slight backward lean and arms extended for balance.
- Eyes focusing on the ball, take-off with a step forward, a leap or a short run to the ball.
- Swing the head with a turning movement towards the goal and on contact, direct the ball downwards to score.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

**146) State any three Common mistakes in heading the ball by beginners in a game of soccer.(3mks).**

- Keeping eyes closed hence poor timing and loose of balance.
- Use of wrong part of the head.
- Stiff neck muscles – place head to ball instead of swinging head.
- Poor take-off, i.e. legs remain grounded/flat footed.

**147) Describe four teaching hints of Standing throw-in in a game of soccer.(4mks)**

- Staggered stance facing the direction of throw
- Grip the ball with fingers spread to the sides and arms raised upwards.
- Arch the back then transfer body weight onto the leading leg as both feet maintain ground contact.
- Deliver the ball with both hands directly over and above the head with a snap forcefully forward of the arms, wrist and upper body.
- Release the ball in front of the forehead with arms outstretched and elbows facing direct forward.

**148) Explain three teaching points of Running throw-in in soccer game.(3mks)**

- Start with a short steady run away from the touchline.
- With the arms raised and fingers well spread on the ball, makes a skip step with legs astride for a short throw-in or staggered for a long throw-in.
- Both hands then snap forcefully forward to release the ball with arms outstretched and elbows facing direct forward.

**149 Explain five Common mistakes in goalkeeping by beginners in a game of soccer.(5mks)**

- Poor timing/judgment, hence coming out too early or too late for the on-coming ball.
- Poor positioning and failure to balance the goal hence leaving a too far distance to cover/dive.
- Poor grip and poor cushioning of the ball hence letting the ball bounce out of the hands or dangerously into the heart.
- Standing with legs flat footed, hence making it difficult to take-off in time and stretch/dive fully for balls to the sides or high up.
- Standing with legs wide apart/astride as to allow ground balls roll in between legs.
- Punching balls directly to opponent or into play without deflections away.
- Kicking balls totally upwards when punting instead of forward.

**150) A team in a soccer game wins the coin toss and decides the goal to attack in the first half of the match. Which team would take the following:**

**a) kick-off to start the SECOND half of the match.(1mk)**

- team which win coin toss

**b) kick-off to start the match.(1mk)**

- team which does NOT win the coin toss

**151) State five Rules to be observed during corner kick in a game of soccer.(5mks)**

- The ball is placed inside the corner arc at the nearest corner flag.
- The corner flag post is not removed.
- Opponents remain at least 9.15m(10yards) from the ball until the ball is in play.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- The ball is kicked by a player of the attacking team.
- The ball is in play when it is kicked and moves.
- The kicker does not play the ball a second time until it has touched another player.

**152) State five Rules to be observed during the penalty kick in a game of soccer.(5mks)**

- The ball is placed on the penalty mark.
- The player taking the penalty kick is properly identified.
- The defending goalkeeper remains on own goal line, facing the kicker between the goal posts until the ball has been kicked .
- The players other than the kicker are located inside the field of play outside the penalty area at least 9.15m(10yards) from the penalty mark behind.
- The referee signals and decides when a penalty kick has been completed.
- The player taking the penalty kicks the ball forward, and does not play the ball a second time until it has touched another player.
- The ball is in play when it is kicked and moves forward.

**153) Explain three referee decision if the player taking the penalty kick infringes the laws of the game in soccer.(3mks)**

- the referee allows the kick to proceed.
- if the ball enters the goal, the kick is retaken.
- if the ball does not enter the goal, the kick is NOT retaken.

**154) State three referee decision if the defending goalkeeper infringes the laws of the game during penalty kick in a game of soccer.(3mks)**

- The referee allows the kick to proceed.
- If the ball enters the goal, a goal is awarded.
- If the ball does not enter the goal, the kick is retaken.

**155) Give three referee decision if a team-mate of the kicker enter the penalty area or moves in front of or within 9.15m(10yards) of the penalty mark during penalty kick in a game of soccer.(3mks).**

- The referee allows the kick to proceed.
- If the ball enters the goal, the kick is retaken.
- If the ball does not enter the goal, the kick is NOT retaken.
- If the ball rebounds from the goalkeeper, the crossbar or the goalpost and is touched by this player, the referee stops play and restarts the match with an indirect free kick to the defending team.

156) **Highlight four Rules to be observed during direct free kick in a game of soccer.(4mks).**

- The ball is placed stationary at the point where the infringement occurred.
- All opponents are at least 9.15m(10yards) from the ball.
- The ball is in play when it is kicked and moves.
- The kicker does not touch the ball a second time until it has touched another player.
- If a direct free kick is kicked directly into the opponent's goal, a goal is awarded.

**157) State four Rules to be observed during indirect free kick in a game of soccer.(4mks)**

- Ball is placed stationary at the point where the infringement occurred.
- All opponents are at least 9.15m(10 yards) from the ball until it is in play.
- The ball is in play when it is kicked and moves.

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- The kicker does not touch the ball a second time until it has touched another player.
- A goal can be scored only if the ball subsequently touches another player before it enters the goal.

**158) There is no offside offence in a game of soccer if a player receives the ball directly from? (3mks)**

- A goal kick
- A corner kick
- A throw-in

**159) Name five referee's equipment in a game of soccer.(5mks)**

- Uniform of contrasting colors to the two teams playing.
- Two (2) whistles of different tones
- Two (2) F.I.F.A. cards of YELLOW and RED colors.
- Wrist watch
- Stop watch
- A pencil and a pen
- Note book
- Coin

**160) State five Systems of soccer match control in a game of soccer.(5mks)**

- Straight line patrol
- Zig-zag patrol
- Oval patrol
- Straight line patrol
- Diagonal system
- Linear system

**161) Name THREE systems of soccer control that may be used by the referee without any other match official (solo officiating) (3mks)**

- Straight line patrol
- Zig-zag patrol
- Oval patrol

**162) Describe five qualities of a good coach in a game of soccer.(5mks)**

- Competent and knowledgeable with good leadership qualities
- Hardworking and industrious, i.e. make believers out of skeptics.
- Friendly, pleasant, outgoing and warm.
- Forceful and firm.
- Have special interest in soccer and inborn characteristic.
- Good appearance and creative
- Honest and reliable, i.e. must meet his responsibility squarely
- Emotionally stable and can withstand stress – able to listen.
- Ambitious and loyal to the team – posses elements of optimism.
- Self-disciplined, organized and well integrated.
- Respect cultural values

**163) What is "Soccer training" as used in soccer.(2mks)**

- It consists of systematic progression and instruction of a player to reach threshold at the right time.

**164) Give four General important factors in soccer training (4mks)**

- Physical conditioning:- Specific fitness components of speed, strength and endurance, goalkeeper's flexibility and reaction time, etc.

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- practice :- Basic skills, techniques, styles, systems, etc
- Discipline: Both player and team discipline e.g. good time management, rules and regulations, laws of the game etc.
- Teamwork:- player morale and good leadership

**165) Name three training methods and principles a soccer trainer may use to improve on the performance of players in a game of soccer.(3mks).**

- Interval training:
- Circuit training
- Fartlek training
- Weight training

**166) State five main factors affecting soccer performance.(5mks)**

- Psychological. E.g motivation, anxiety, aggression and personality.
- Physiological e.g age, neuro-muscular, diet, drugs, fitness.
- Physical
- Environmental
- Technical
- Tactical

**167) Identify the benefits(gains/help) of playing soccer to:**

**a)Individual**

- Promote physical fitness and good health.
- Maintain ideal weight and good body posture.
- Acquire skills and talents.
- Appreciate knowledge in the teaching points, systems, principles, laws, rules and regulations.
- Good character building e.g. Self-discipline, co-operation, etc
- Profitable use of leisure time.
- Source of income and career opportunities as player, coach, trainer, referee, etc.
- Fame/popularity e.g. FIFA player of the year, leading scorer, etc.
- International exposure to continental and worldwide competitions.
- Socialization

**b) Society**

- Source of relaxation, entertainment and enjoyment.
- Promote patriotism, i.e. loyalty to National soccer team.
- Improved infrastructure e.g. stadium
- Economic development in production of soccer goods/services.
- Promotion of culture during international competitions e.g. World Cup.
- Employment & export talents
- Socialization.

**168) Name any five the parts of soccer field below.(5mks)**

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

Visit vector-magz.com

**169) State the venue for each of the following events:**
**(i) 2018 Olympic Games (1 mark)-**South Korea
**(ii) 2018 World Cup Football (1 mark)-**Russia
**iii) 2022 World Cup Football (1 mark)-**Qatar
**iv) 2014 World Cup Football(1mk)-**Brazil

**170) Define "**Sweeper**" as used in soccer game.(2mks)**

- The last player in the defense besides the goalkeeper who patrols behind the other marking defenders and is responsible for "sweeping" away all the loose balls that get past their teammates.

**171) state four qualities of centre half back player in soccer game .(4mks)**

- Agile
- Aggressive
- Good balance
- Calm and confident
- Accurate with good ball timing.
- Organizer
- Sweeper

**172) Highlight five duties of centre half back player in soccer game.(5mks)**

- Takes goal kicks and free kicks
- Covers and protects goal area
- Controls Right Half Back, Left Full Back and Right Full Back teammates.
- Supports mid-fielders teammates especially in change of direction or wings.
- Plays role of LAST MAN.

**173) Describe game duration of soccer game.(2mks)**

- Consist of 2 halves of 45 mins each.
- Has 10-15 min half break
- Extra time is added in case of time spent during injury, external interference etc.

**State four rules which was formulated to differentiate association football and rugby in 1863. (4mks)**

This document is available on studocu

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

- Kick was replaced by throw-in
- Offside rule introduced
- Corner kick was introduced.
- Referee was included
- State number of substitutes allowed.

**ASSINGMENT**

**1 .Identify three methods of dribbling in soccer (3mks)**

**2. Mention any two uses of numbers on players' uniform during a game of soccer (3mks)**

**3. Identify two situations where back pass in soccer may not be penalized (2mks)**

**4. State the steps that should be followed when a player is critically injured in a game of soccer, and cannot continue with play.(4mks)**
