DATABASE CREATION (70 MARKS)

1. Open the computer and create a folder on the desktop with DHRI and the last three digits of your exam number eg D*HRI001*. (3 marks)
2. Using Microsoft Access, create a database called **Student Registration** consisting of two tables: **Students** and **Faculty**. (5 marks)
3. The Student table has the following fields with the following properties: (10 marks)
   - **Student ID** - data type is Text, field size is 4 and Caption is ID #. It is also the **primary key**.
   - **Last Name** is Text, field size is 15
   - **First Name** is Text, field size is 15
   - **Course** is Text, field size is 30
   - **Lecturer ID** is Text, field size is 4
   - **Marks** is Number and its field size is **Integer**
4. The Faculty table has the following fields with the following properties: (10 marks)
   - **Lecturer ID** - is Text, the field size is 4, the Caption is Fac. ID and it is the **primary key**.
   - **Last Name** - is Text and the field size is 15
   - **First Name** is Text, field size is 15
   - **Office Phone** is Text, field size is 4 and the Caption is Phone
5. Create a form with all fields on the Student table. Name the form STUDENT DATA (10 marks).
6. Enter the data below into the database (10 marks).

The Database

Student

Student ID	Last Name	First Name	Course	Lecturer ID	Marks
1111	Ouma	Juliet	HRI	2222	63
1122	Korir	Tom	Laboratory	3333	65
2244	Hamud	Rop	HRI	4444	70
3344	Gonda	Larry	Physiotherapy	2222	52
4455	Waire	Tony	COHO	5555	54
4456	Kemboi	Clarkson	Othopaedic	6666	68

Downloaded by Patrick Ngobiro (pngobiro@gmail.com)

Lecturer

Lecturer ID	Last Name	First Name	Office Phone
2222	Mwangi	John	2345
3333	Aron	Mueni	4567
4444	Kipto	Grace	5678
5555	Kelly	Patrick	6789
6666	Faiza	Craig	2234

7. Create a relationship between the student table and faculty table and save (10 marks)
8. Create two queries for **Student**. One that lists every student's First Name, Last Name, Course and Marks (in that order). The second query will list the First Name, Last Name, Marks for every stude whose Lecturrr's ID is **2222**. (10 marks)
9. Save and close the database. (2 marks).
